C. : Central Intelligence Agency, 2001 OCLC Number: (OCOlc)48548616 Subject: Intelligence service -- United States. Excerpt: . . . The SIP recommends: A community-wide strategy to achieve a virtual work environment enabled by collaborative and analytic tools, and interoperable databases to improve the comprehensiveness and timeliness of our analysis. An IC collaboration center to facilitate the analytic community's move from pilots to enterprise and IC-wide deployment. The center will focus on mapping, testing, and recommending improvements to community analysis and production processes; identifying metrics and codifying best practices; and facilitating the integration of advanced analytic tools. It will work through, and in concert with, existing agency-specific efforts. The breaking down of barriers and the sharing of databases of critical and common concern. The ADCI AP and IC Chief Information Officer (CIO) are focusing initial efforts on a few select databases. These initial efforts will help the analytic community identify potential obstacles to and establish guidelines for future large-scale collaborative efforts. Intelligence Priorities Today's fast-moving threat environment continues to hamper the ICs ability to provide sustained guidance on priorities. Analytic programs...
