Renewing American Culture

By Theodore R. Malloch

Hardback. Book Condition: New. Not Signed; The rapid changes affecting America and the world have been led by economic and technological forces. The cultural dimensions of this change have been largely ignored in the process. Without significant advances and innovation in the realm of culture and value, the huge economic and technological gains of the recent past are exposed to great risk. In the face of these changes and challenges, this book asks: are we facing sunset or dawn? The authors find a clear vision and new significance in the Declaration of Independence, especially in the idea of the pursuit of happiness. The book connects emerging global change with the pursuit of happiness and shows that change today is not only consistent with this principle, but in fact caused by it. The book also provides a fresh understanding of the roots of current fears about the future, as well as those who criticize America's culture and society. The authors find that these efforts to create a critical, counter-narrative to the pursuit of happiness are derived from systems of ideas that are no longer defensible in today's world. The book argues that it is time to reclaim the civic space that...

Reviews

A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. You may like just how the article writer compose this ebook.

-- **Prof. Elliott Dickinson**

Absolutely among the best publication I have got at any time go through. It really is writter in straightforward phrases rather than hard to understand. Its been designed in an extremely straightforward way which is just soon after i finished reading this publication through which basically modified me, alter the way i believe.
