Have you considered a deep sea adventure for your science scholars ages 6 and up? This is the book where they will not only learn Fun Facts about sea creatures, we set the foundation for why they need to lead conservation in your area of our water resources. Unlock the mysteries of the ocean by learning new vocabulary words. Join Jamel as he travels by airplane to Atlanta Georgia to visit his grandparents and share in his grandmother's deep sea adventure she never had. You will explore more about her African origins, culture and the foods of Nana's Gullah Geechee culture. Nana tells her grandson, Jamel about catching shrimp, crab, digging for clam and chipping oysters at the oyster reef, when she was a little girl. She went with her sister to catch their dinner daily on the Beaufort, South Carolina coast. There were no super markets, or chains of mega grocery stores in those days. If you live in a land-locked location, want to immerse yourself in the world's oceans,...

Reviews

I actually started out reading this book. It can be packed with wisdom and knowledge I discovered this ebook from my dad and I suggested this book to understand.
