

## Organic Gardening Down South

By Nellie Neal

Paperback. Book Condition: New. Paperback. 148 pages. With this book your southern garden can be beautiful, a healthy place where you enjoy nature and a ripe tomato. Author Nellie Neal tells you how to use the power of organic gardening to make landscape tasks easier and more effective, just as she has been doing on her radio show for the last fifteen years. She says, Each year, more gardeners ask me about organic gardening, but information tailored to the South can be hard to find. People are interested in the potential effects of garden chemicals on their children and pets. They ask about natural soil building, smart plant and product choices, edible plants, composting, mulching, and garden sanitation. Organic methods make sense and will work for you. This book includes: Soil strategies for the humid South Botany briefly and how to work with plants Southern growing strategies Bad and good: pests and organic controls for them Garden planning and planting A garden calendar for the South A directory of great, tough garden plants for the South A clear, comprehensible description of the soilfood web that keeps soils and gardens alive and healthy This item ships from multiple locations.
