The life of a paid mercenary makes sense to Special Forces Officer Winslow Grange. A woman's heart, however, that's dangerous territory. Back in Texas, Grange's biggest problem was avoiding Peg Larson and all the complications being attracted to the daughter of his foreman would entail. Now Grange will need all his training to help General Emilio Machado gain control of the tiny South American nation of Barrera; when Peg arrives unannounced, she's a distraction he can't avoid. She's determined to show Grange she can be useful on and off the battlefield. Once she breaks through his armor, traversing the wilds of the Amazon will prove an easier task than defending himself against her winning charms.
