Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Hereward, James Wilde, 1062, a time many fear is the End of Days. With the English King Edward heirless and ailing, across the grey seas in Normandy the brutal William the Bastard waits for the moment when he can drown England in a tide of blood. The ravens of war are gathering. But as the king's closest advisors scheme and squabble amongst themselves, hopes of resisting the naked ambition of the Norman duke come to rest with just one man: Hereward. To some a brilliant warrior, to others a devil in human form, Hereward is as adept in the art of slaughter as the enemies that gather to claim England's throne. But in his country's hour of greatest need, he has been declared an outlaw. To stay alive - and a freeman - he must carve a bloody swathe from the frozen hills of Northumbria to Flanders' fields and the fenlands of East Anglia. The tale of a man whose deeds will become the stuff of legend, this is also the story of two mis-matched allies: Hereward the man of war, and Alric, a monk and a man of peace. One will risk everything to save the land he loves, the other to save his friend's soul.
