

## Clair de Lune (from Suite Bergamasque) (Paperback)

Filesize: 1.61 MB

### ***Reviews***

*This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Alfred Music, United States, 1982. Paperback. Book Condition: New. 302 x 226 mm. Language: English . Brand New Book. The original, unsimplified version of one of Debussy s most popular piano works. This ethereal, flowing section of Suite Bergamasque is diatonic and displays a conventional harmonic vocabulary in D-flat major. The title, Clair de lune, suggests a relationship to Paul Verlaine s eponymous poem, describing a vision of long-dead dancers in the moonlight. The music transmits the otherworldly, transparent, and impalpable qualities of the experience while maintaining clarity and definition. Perfect for the burgeoning late intermediate pianist. Edited by Willard A. Palmer.
