

Common Faith: Spiritual Education, Politics and Pluralism

By Mr Kevin Mott-Thornton

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 274 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. Common Faith is a philosophical exploration of the political and social implications of introducing a programme of spiritual education into schools in a modern pluralist democracy. It offers a detailed critique of a range of political perspectives including liberalism, pluralism, communitarianism, secularism and conservatism. It is often argued that both governments and schools should take an active interest in the spiritual and moral development of young people. This book is an attempt to show that philosophical analysis has an important part to play in the process of educational policy making in this area. It is an exploration of educational and political ideals, designed to throw light upon the logical relations between them. There are two distinct but overlapping aspects of the discussion of spiritual development as an educational aim. First, there are questions connected with the meaning of spirituality itself and the appropriateness of using such terminology in the educational context. The book argues for a procedural characterisation of common spirituality, applicable to all, and suggests that a clear distinction should be made between this and the idea...
