Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Reed Organ; How to Give It the Proper Care; Simple Complaints and Easy Remedies: With Full Explanation of the Value of the Stops, and Directions for Their Proper Use In point of mechanical construction the Reed Organ is of a very simple character, and so perfect is the material, workmanship and construction in the Beckwith, that if it receives fair treatment at the hands of the owner it will remain perfect in action and musical quality during the entire life of the guarantee and even longer. If, however, it is neglected, if it is allowed to absorb dampness and dust, or should it become the home of moths or mice, it will in time become unfit for use. Should the organ become disabled on account of any of the above mentioned causes, it would be manifestly unfair to expect the manufacturer to make good any repairs made necessary through such mistreatment, under the provisions of his guarantee, and no manufacturer would agree to do so. The Beckwith Organ represents skilled workmanship of the highest character, and the very best material that can be obtained is used in its making. The Beckwith Organ Company's factory is the best, finest equipped, and largest exclusive organ factory in the world, and while every possible precaution and care is taken, it will sometimes happen that some part of the organ may not act with the same promptness that it should. This is especially true when it is first unloaded from the car. A key may stick, a note may sound after the key has been pressed and released., It may produce an unpleasant, jarring sound, or it...
