It is 1925 and the Honourable Daisy Dalrymple, her husband Alec Fletcher and their recently born twins move to a large new home on the outskirts of London. Set in a small circle of houses with a communal garden, it seems like the idyllic setting - that is, until a murder victim turns up under the bushes of the garden. Now rumours of bootleggers, American gangsters and an international liquor smuggling operation via black ships turn everything upside down. And Alec, in his role of Scotland Yard detective, has been assigned to ferret out the truth behind the murder - but it is up to Daisy to identify the dead man, find out what his relationship with her new neighbours was, why he was murdered - and who it was who did him in!.
