Put yourself at the heart of the story War is brewing between the kingdoms of Sidonia and Glorianne, a war waged for control of the territories of the New World. Adrift in an open boat, you make your desperate bid to escape from the sadistic Captain Skarvench. The odds are stacked against you. Even if thirst, hunger and storms don't kill you, there are still formidable dangers to overcome in crossing hundreds of miles of uncharted ocean to reach safe harbour. Yet you must make it. Because only you know Skarvench's latest and most wicked plan. You are determined to round up a crew, get yourself a ship, and set sail on a voyage of vengeance and justice. You are destined to face many perils: undead pirates, sea monsters, cursed ships, witches and ancient gods. And the greatest threat of all: the vision you have seen of your own death at the hands of your hated foe. Critical IF books are interactive adventures with a difference.
