Why Johnny Cant Think shows that leftism means, Professors should rule the world. It demonstrates why each totally inbred generation of professors chooses a new generation of professors that is even more inbred and leftist and what actually happens when college graduates and professors actually try ruling the world through socialism, through criminal rehabilitation, and through the New Education. Whatever they call it, socialism or environmentalism or multiculturalism, each leftist program just means that professors should rule the world. And every time they try, it is a disaster. But college graduates keep pushing new leftists policies. That what they learned in school. Thats what we pay professors to teach them in school. Joe Sobran says in the foreword: A former professor himself, Bob Whitaker believes that formal education has become dangerous, and often fatal, to common sense. This is nothing new, but Americans believe so deeply in formal education that they routinely sacrifice their childrens youth to it, often paying staggering amounts of money to shield them from the real world. . . . the social sciences are another matter. These social sciences are often directly contradicted by the hard sciences. They are built on ideas and theories that are not only unproven, but demonstrably and obviously false. Yet they are aggressively promoted by the academy, followed by the media and the government, and anyone who openly denies them can forget about a career in these institutions. Even real scientists are forced to bow to the idols of social science. . . As Whitaker reminds us, formal education is far and away the biggest industry in the United States. Americans pay trillions of dollars, in both taxes and private tuition, to...
