## Rodin

By Taschen, Francois Blanchetiere

Taschen GmbH. Hardback. Book Condition: new. BRAND NEW, Rodin, Taschen, Francois Blanchetiere, Moulding life: Marble and clay become vivid human emotions In a career that bridged the late 19th and early 20th centuries, Auguste Rodin(1840 1917) was at once deeply inspired by artistic heritage and a rebel against its idealized forms. With a commitment to naturalism, he sought to render not only the realities of human flesh but all the rawness of human feeling and experience, exploring the physical postures and expressions of contemplation, joy, love, lust, loss, shame, anguish, or turmoil. Rodin's works are distinguished by this fidelity to nature and physicality. He rendered his subjects as he found and saw them: old and wrinkled or young and voluptuous, and pushed the textural possibilities of clay, wax, plaster, bronze, and marble to record the particularities of body surface and form. The results were often deeply sensual, beguiling the viewer with smooth contours, silkiness, and poses that expressly revealed genitalia. The tender and titillating *The Kiss* is one of Rodin's most famous works, as well as the brooding *The Thinker* (1880). Produced in collaboration with the Musee Rodin, this book introduces Rodin and the evocative intensity and influence of his work, at a defining moment for emerging modernism and as a leading inspiration for...

### Reviews

*This pdf is very gripping and fascinating. We have read and that i am certain that i am going to going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.*
